Deputy Chief Perault
MIT Campus Police
301 Vassar Street
Cambridge, MA 02139

Dear Deputy Chief Perault:

I am writing on behalf of the MIT Sloan Boston Alumni Association to advise you of a \$2500 contribution that has been made to the Sean A. Collier Memorial Fund to honor his memory. As the local MIT Sloan Alumni organization, we want to express our deepest sympathies to his fellow MIT Campus Police Officers, as well as to his family. Our heart goes out to you.

The MIT Campus Police keep the campus a safe place for all of us, during our events, and as we go about our daily activities and even when we visit the campus many years after we have graduated.

We honor the memory of Sean Collier and mourn the senseless circumstances surrounding his death.

We are grateful that we can make this contribution in his memory.
